## *accommodations...*

*In the heart of downtown Madeline Island is the newly acquired Bell Street Lodging. Walking distance to restaurants, bars and beaches. This is an ideal place to relax and take in the views. Your rental unit is located on the second floor and has its own private deck to enjoy morning coffee, a cocktail, or just to soak in the scenery. There is additional common space that can be enjoyed as well. This includes a massive deck with plenty of seating and tables to relax and enjoy additional views We have created a bbq and beer garden as well. Use one of the grills and courtyard area for a wonderful meal outside.*

*The Bell Street Lodging was constructed with concrete forms. The concrete forms offer a quiet sanctuary within your space. Or step outside and walk a 100 yards to Tom's Burned Down Cafe. Tom's is an island music oasis. Not to mention spectacular for people watching. Enjoy a short walk to the Beach Club for a sunset view and refreshment.*
